ABOUT MILNE

We are committed to providing the highest quality care services and life experiences to our clients, allowing them to attain the optimal level of independence, self-determination, and self-fulfillment. The staff of Milne treats each person with dignity, compassion and respect, allowing each person to participate fully in the development and delivery of these services. We are committed to being good stewards with our resources, ensuring we provide exceptional value to our corporation, donors, and friends.

We are an Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) providing 24-hour care. Everyone receives individualized and consistent programming from highly trained staff members. The staff makes it their solitary mission to ensure that each person participates in the planning and implementation of services to enhance specific skills and increase independence.

Activities and therapeutic programming are developed based on each person's interests, existing skill sets, strengths, and intellectual and developmental capabilities, so as to ensure success.

At Milne, our multidisciplinary team is also available to provide the following services for each person, as is determined by their individualized service plan:

- Activities of Daily Living
- Social Skills
- Medical, Health and Wellness
- Recreational Therapy
- Food and Nutrition
- Psychological/Behavioral
- Pre-vocational and Employment Skills

These programs are intended to identify the essential supports for successful community living. By using a person-centered approach involving the individual, family members, employees, and the community, we strive to help each person attain a safe, happy, and healthy lifestyle.

Our scope of services offers a wide range of programs. We promote inclusion through participation in social, spiritual, recreational, and vocational experiences in the St. Tammany Parish community. Additionally, we invite the extended community into our own neighborhood for festivals, dances, and other unique opportunities that build friendships.
